***We Invite You to Participate in
The Vancouver & District Dental Society's
Annual MidWinter Clinic***

The **Annual Midwinter Clinic** is the VDDS' premier event of the season for dentists, dental staff, study clubs and businesses that supply the Vancouver and area dental community. Midwinter Clinic Chair **Dr. John Rogers** and his committee are planning a day of great continuing education, table clinics and exhibits this December at Vancouver's **Westin Bayshore Resort & Marina** in downtown Vancouver.

Our exhibitors are an integral part of the VDDS Midwinter Clinic, and we continue to strive to make attendance on the trade show floor consistent. This year, **the Lecture Program and Trade Show will again run concurrently, both opening at 8 am.** Your presence as an exhibitor in the Grand Ballroom display area of almost 9,000 sq. ft. would provide you with the opportunity to enhance existing client relationships as well as to establish new ones.

Trade Show Hours will be from 8 am through 1:00 pm, and our **Gala Holiday Luncheon** will be served in the Stanley Park Ballroom from 1:00 – 2:30 pm, capping off the day's activities. **A ticket to the luncheon is again included** for each exhibit space booked, and additional tickets will be available for purchase.

We offer you an 8 X 10 draped booth on a carpeted floor area, with skirted display table, two chairs and identifying signage for your company. Our exhibit rate is \$575 for the day.

Set-up hours for the Trade Show are flexible this year and are at your discretion: **7 – 10 pm on Thursday evening, December 11th,** and/or from **6:30 – 8 am on the morning of the 12th.** We ask that all booths be ready by opening at 8 am.

You may wish to take advantage of **special accommodation rates** at the Westin Bayshore Resort & Marina (see below). Upon room availability, these rates will also be extended to "shoulder dates".

We look forward to your presence on December 12th, and invite you to look for more details regarding the Midwinter Clinic's educational program and speakers as they become available on our event's website: www.midwinterclinic.com.
