Vancouver & District Dental Society Annual Midwinter Clinic Friday, December 3rd

The **Annual Midwinter Clinic** is the VDDS' premier event of the season for dentists, dental staff, study clubs and businesses that supply the Vancouver and area dental community. **Midwinter Clinic Co-Chairs, Dr. Esther Tam and Dr. Isaac Tam**, are planning a day of great continuing education, table clinics and exhibits this **December 2010** at the **Westin Bayshore Hotel** on Vancouver's waterfront.

Our exhibitors are an integral part of the VDDS Midwinter Clinic, and we continue to strive to make attendance on the trade show floor consistent. This year, the **Lecture Program and Trade Show will again run concurrently, both opening at 8 am**. Your presence as an exhibitor in the Grand Ballroom display area of almost 9,000 sq. ft. would provide you with the opportunity to enhance existing client relationships as well as to establish new ones.

Trade Show Hours will be from 8 am through 1:00 pm, and our **Gala Holiday Luncheon** will be served in the Stanley Park Ballroom from 1:00 – 3:00 pm, capping off the day's activities. **A ticket to the luncheon is included** for each exhibit space purchased; additional tickets may be ordered for \$35 each.

Included in the exhibit rate of \$645 (inclusive) is an 8 X 10 draped booth, carpeted floor area, skirted 6 ft. display table, two chairs and identifying signage for your company. If required, electrical power and an individual wireless internet connection may be purchased.

Set-up hours for the Trade Show are: 6:30 – 8:00 am on the morning of the show date of December 3; a **limited number will be able to pre-set the night before**. We ask that all booths be **set up by the show opening at 8 am**.

We have again arranged very **special accommodation rates** at the Westin Bayshore Hotel (see below). Upon room availability, these rates will also be extended to "shoulder dates" if any of you wish to plan meetings while you are in Vancouver.

We look forward to your presence on December 3rd, and invite you to look for more details regarding the Midwinter Clinic's educational program and speakers as they become available on our event's website: **www.midwinterclinic.com**.
